

POINT IN TIME 2023
Volunteer Registration Form
Treasure Coast Continuum of Care FL-509

The Point-in-Time (PIT) count is a count of sheltered and unsheltered people experiencing homelessness on a single night in January. HUD requires that Continuums of Care conduct an annual count of people experiencing homelessness who are sheltered in an emergency shelter, transitional housing, and Safe Havens on a single night. Continuums of Care also must conduct a count of unsheltered people experiencing homelessness.

The Point in Time (PIT) Count for Indian River, St Lucie and Martin Counties will reflect those experiencing homelessness during a specific 24-hour period during the last 10 days of January 2023. We have selected the following time period for our 2023 PIT Count:
