The Treasure Coast Homeless Services Council is the lead agency for the FL-509 Continuum of Care on Florida's Treasure Coast. This Annual Report provides a summary of both agency and CoC-wide accomplishments throughout the year of 2024.

A message from the Board Chair

As we reflect on 2024 and look ahead to 2025, our commitment to preventing and ending homelessness on Florida's Treasure Coast remains stronger than ever. This past year brought growth and transformation for our Continuum of Care. We have expanded programs, strengthened partnerships, and refined service delivery methods to better meet the needs of those we serve.

We are deeply grateful for the unwavering support of our community partners, donors, board members, staff, and volunteers who believe in our mission. Thanks to your dedication, the Continuum of Care (CoC) assisted **11,455** households in 2024, providing more than **\$4.4 million** in critical programs and services. Across the Treasure Coast, we delivered over **100,000** essential services, nearly 20,000 more than the previous year!

Housing is so much more than just four walls and a roof, it represents safety, dignity, stability, and opportunity. For those we serve, it means a chance to access vital supportive services that improve their health, career prospects, financial security, and personal well-being.

None of this would be possible without you. Whether you are a donor, a community partner, a dedicated board member, a staff member, or a volunteer, your contributions make a lasting impact. Thank you for being part of this journey as we continue to create real solutions and lasting change in 2025 and beyond.

A message from the Visionary Leader

2024 was a great year for focusing on programs, procedures, and both internal and external growth. In 2025, Treasure Coast Homeless Services Council will work harder than ever to leverage data, strengthen collaborations, and drive systemic change that creates long-term solutions for our most vulnerable populations.

Our vision for the future is bold, we aim to be a data-driven leader, working alongside our partner agencies to address the root causes of homelessness. **By harnessing predictive analytics and real-time data, we will move beyond reactive solutions and proactively prevent homelessness before it occurs.** This requires continued investment in a robust data infrastructure and deeper collaborations with local municipalities and social service agencies across the Continuum of Care. Every partner agency is instrumental to the success of this mission.

In 2025, we are embarking on a new era of impact. As part of our transformation, we are actively repositioning, rebranding, and redefining our role in the community. These changes reflect our unwavering commitment to a truly collaborative Treasure Coast, where homelessness is addressed through innovative strategies, housing-first principles, and a deep understanding of the social determinants of health.

As the visionary leader of the lead agency for the Continuum of Care, I am committed to transparency, collaboration, and progress. **I believe this data-driven, client-centered approach will empower our community to be more effective than ever.** Together, as a community, we are cultivating change with continued progress while reducing homelessness on the Treasure Coast.

Generosity in Action

Richard wanted to make a meaningful impact around the holiday season, choosing to donate his vehicle to a Veteran in need. His generosity, combined with the dedication of HUD-VASH social worker Jaqueline and SSVF case manager Evie, ensured that his gift found the perfect match - **Lorinda**, a Veteran who had recently suffered a stroke and lost her vehicle.

For Lorinda, this donation was life-changing. Reliable transportation means access to medical appointments, groceries, employment opportunities, and a renewed sense of independence. It represents more than just a car, it's a fresh start and a step toward stability. Stories like this highlight the power of community support and collaboration in making a difference. Thank you, Richard, for your kindness, and to Jaqueline and Evie for ensuring that Veterans receive the support they deserve.

Lorinda shared: "It's a Christmas blessing and so much more. On June 1st I was put into a home with my 4 sons after being homeless since the beginning of 2024. I want to let everyone know that SSVF has moved mountains, stopped tsunamis, and stood strong for me and my 4 sons. I have never seen so much compassion in the world as I have since working with Mrs. Evie and her team and Jax and her team as well. Then along came Mr. Allen with this car donation and I screamed and cried tears of joy, had thoughts of unimaginable miracles and seeing there are still people in the world that care to help when others are in need. I'm speechless still right now. I don't know how to stop saying THANK YOU. I want other Veterans to know there are hearts out in the world that beat and truly care about us. Happy Holidays to everyone."

Acts of kindness like Richard's remind us of the power of connection and compassion.

Point-In-Time

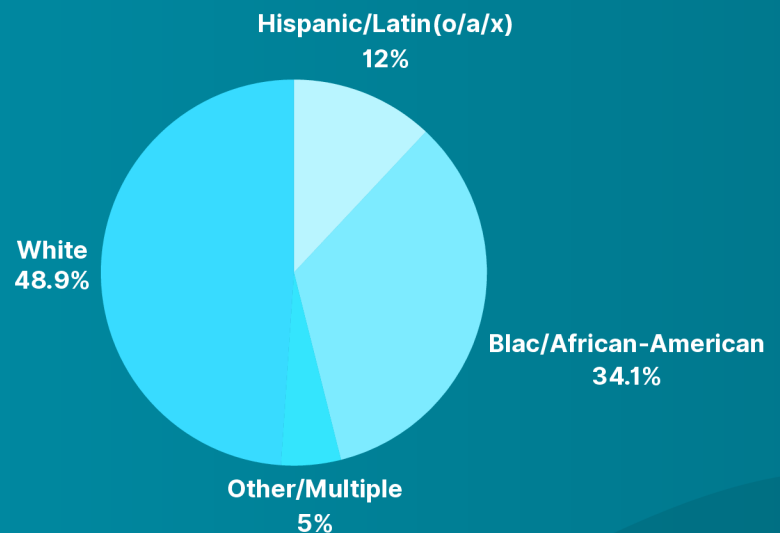

The annual Point-in-Time (PIT) conducted on one of the last 10 days in January, for a 24-hour period across the tri-county region of Indian River, St. Lucie, and Martin Counties. During that time, staff, volunteers, and community collaborators joined together to identify individuals experiencing literal homelessness, both sheltered and unsheltered.

In 2024, the count was held on January 25th and showed a total of 701 literally homeless individuals (529 adults and 172 children), showing a 24% decrease from the previous year.

Permanent Supportive Housing

Permanent Supportive Housing (PSH) is designed for people experiencing chronic homelessness to support long-term housing stability and improve overall well being. PSH uses a **housing first** model where clients are assessed and placed on a prioritization list based on the severity of need, not on their “readiness for housing”. PSH is tenant based rental assistance. The client can live in any available housing unit in the community that can pass housing quality inspection and is rent reasonable.

The CoC received additional program funding through the HUD NOFO competition, allowing for the creation of new projects. This includes an expanded collaboration with SafeSpace for a rapid rehousing program aiding those fleeing domestic violence situations.

The community has come together in the form of special committees to create positive change. The HMIS Committee revamped HMIS procedures and trained more users in the system than ever before. The system has been improved to better support the data collection, evaluation, and reporting of vital programs.

This year, the St. Lucie Housing Hub / Adam's Place in Fort Pierce increased service delivery to include adult women. Expanding services to nearly 100 individuals in need in St. Lucie County.

A disastrous hurricane hit Florida on October 9th, bringing a series of tornadoes that ripped through the Treasure Coast region, leaving destruction in their path. The CoC acted immediately, with service providers jumping into relief efforts and alleviating the burdens caused to struggling local families.

WHEN CRISIS CALLS COMMUNITY ANSWERS

On Wednesday, October 9th, 2024, the Treasure Coast was shaken by Hurricane Milton, a devastating storm that sent destructive tornadoes through our region. Lives were lost, homes were destroyed, and countless individuals were displaced. The storm's impact was especially harsh on our most vulnerable populations. But amid the devastation, our community rose - together.

Multi Agency Resource Centers (MARC) were initiated in each county to respond to the emergency needs. TCHSC joined forces with county agencies, emergency responders, and nonprofit partners to respond swiftly and compassionately. Every effort was made to ensure that no one was left behind.

TCHSC activated its Emergency Weather Plan, transferring shelter residents to county emergency shelters and our team continued to provide daily outreach at emergency shelters to connect individuals with housing options.

TCHSC provided hundreds of homeless prevention services across the tri-county, ranging from rental support and SNAP enrollment to medical services and SOAR assistance. Additional support included FEMA-trained case managers, disaster technical assistance from HUD, and daily delivery of water and meals ready-to-eat (MREs).

Further, due to generous financial support from the United Way of Indian River County we were able to house even more families displaced by this storm. In neighborhoods like Lakewood Park, where storm damage and lack of power made living conditions unsafe, TCHSC worked directly with landlords to secure emergency relocations and uphold standards of safe, hygienic housing.

Even in the face of crisis, collaboration, compassion, and commitment remained at the heart of our response. **Together, we moved forward—stronger, united, and with renewed purpose to build a more resilient Treasure Coast for all.**

THE **IMPACT** OF VOLUNTEERISM

Volunteers are the heartbeat of every successful nonprofit. Their time, energy, and commitment make it possible to stretch limited resources further and deliver greater impact across our communities. At TCHSC, volunteers play a vital role in our mission. Each year, they help conduct the Point-in-Time Count, and support ongoing projects that keep our housing units safe, welcoming, and dignified—from landscaping and maintenance to beautification.

Their hands-on efforts help create environments that foster stability and pride for the individuals we serve.

In October 2024, we were honored to be selected by United Way of Indian River County to participate in their Day of Caring. A group of dedicated volunteers came together to give one of storm-worn housing units a much-needed fresh coat of paint, helping us maintain a sense of home, care, and dignity for our residents. We are deeply grateful for their time and generosity.

TCHSC is proud to partner with volunteers who help bring our mission to life. Their impact is lasting—and their presence, invaluable.
